

AXISCADES announces appointment of Mritunjay Singh as CEO

Bengaluru, India, 12th December 2017 – AXISCADES, India's leading Product Engineering Solutions Company announced today that its Board of Directors has appointed Mritunjay Singh as the Chief Executive Officer (CEO) of the company effective January 2nd 2018. He will also join the board as an Executive Director, subject to approvals.

Commenting on the appointment, Mr. Sudhakar Gande, Vice Chairman, AXISCADES said, "AXISCADES is entering an exciting phase of growth and has a tremendous opportunity in creating synergies between Engineering, Automation & IoT. The Board was unanimous in its choice of Mritunjay with his background and experience of managing large operations and businesses at Infosys and leading growth in his last position at Persistent including new markets. Mritunjay has the right credentials to steer the company in this new phase".

"I am very excited about joining AXISCADES. At a time when Industry 4.0 is driving new age industrialization, coupled with IoT, it will usher in a new era of connected products. Engineering will change forever as everything will be driven by software. India is poised to become a powerful democracy and it can happen only if we were to become self-sufficient in aerospace and defence technology. I am extremely excited about our opportunities in Aerospace & Defence sector. Looking forward to build a new age engineering technology powerhouse that we all can be proud of", said Mr. Mritunjay Singh.

Mritunjay Singh (Munjay) until recently was Executive Director and President of Persistent Services Business. He was the COO of the company responsible for operations across products, platforms and services. He was instrumental in strengthening the company's sales and delivery capabilities. He was driving the India government business as part of new market expansion. He turned around company's legacy business and put it on a growth path.

Prior to Persistent, Munjay was with Infosys as head of Financial Services application services Delivery and Pune Development centre. He also worked prior to Infosys at Kanbay and Tata Steel. He has been very active socially and led Hijawadi Industry Association as President for many years, working with government for infrastructure development. He is a B.Tech (Electronics and Communication) from IIT BHU in 1992.
