

AAA and AXISCADES have been awarded as an Engineering, Manufacturing Engineering and Services Strategic Suppliers (EMES³) Preferred Supplier by Airbus

February 2022 – AXISCADES Technologies Ltd. & AAA (Assistance Aeronautique & Aerospatiale), leading solutions oriented technology companies serving global OEMs on overall product improvements have secured a multi-year contract renewal from Airbus, and have been recognized as a preferred supplier to Airbus EMES³ (“Engineering, Manufacturing Engineering and Services Strategic Suppliers”).

AXISCADES with strong capabilities in engineering and customer services area, and AAA with excellent track record and competencies in manufacturing engineering and manufacturing area, jointly intend to leverage and deliver their services to the entire product life cycle with digitization as key enabler. The collective services provided by AXISCADES & AAA as distinguished EMES³ suppliers will cover all Airbus divisions, subsidiaries, and affiliates across the globe and deliver technical solutions in all Engineering, Manufacturing Engineering and Customer Services functions.

Together AXISCADES and AAA aim to leverage their mutually supplementing expertise to address Airbus’ global strategic needs in a comprehensive and holistic manner. The partnership represents the combined strength of AXISCADES and AAA committed to provide technical expertise, operational excellence, global footprint and enhanced value creation abilities aligned to Airbus’ requirements and plans.

Mr. Sudhakar Gande, Board Member AXISCADES said:

“AXISCADES is very proud and delighted to be selected as preferred EMES³ supplier to Airbus, a leading aircraft manufacturer. This recognition will further deepen and strengthen our long-term relationship. Having worked in the Aerospace domain for over a few decades, our engineers have a unique understanding and appreciation of the challenges and opportunities in the industry. Our team’s excellent understanding of tools & processes will support our client Airbus to reduce risk, to improve operational efficiency and to deliver highest quality in a cost effective way. This is truly a prestigious win for us, and we are all set to deliver enhanced value to Airbus along with our partner AAA.”

Mr. Cedric NOUVELOT, General Manager AAA said:

“For more than 30 years AAA has been a partner to AIRBUS and deeply involved in all Manufacturing Engineering Activities. AAA is very proud to have been awarded with his partner AXISCADES to the new referencing EMES³ which will further deepen and strengthen the long-term

customer relationship. Our combined technical skills with an excellent understanding of Airbus processes will enable us to engage delivery in accordance with Airbus expectations . This is a prestigious win for AAA and AXISCADES and we are excited to deliver value in improving operational efficiency”
